

Greenleaf Delivers – Home Delivery Program

Greenleaf Delivers is a program available to medical marijuana patients throughout Rhode Island that qualify for this service.

To be eligible, a person must:

- Currently be or become a registered Rhode Island medical marijuana patient
- Obtain a Practitioner's Verification stating that you are a homebound patient whose chronic illness and/or debilitating condition has taken away your personal mobility
- Provide Greenleaf with a copy of Practitioner's Verification

Greenleaf will deliver medical marijuana products on Tuesdays. A minimum of \$100 (pre-tax) is required per delivery, and no cash payment may be accepted. There is a delivery fee of \$15.

For patients on Aquidneck Island the fee is reduced to \$7.50. Deliveries can be made anytime during the week and orders can be placed by phone more than once.

A Practitioner's Verification Form has been attached for your use. Also attached is information that will help your Practitioner decide if you are considered "homebound."

PLEASE FAX THIS FORM TO GREENLEAF AT (401) 293-5968

PRACTITIONER VERIFICATION

In accordance with Rhode Island Department of Health requirements, the undersigned practitioner confirms that _____ (Printed Name) is a homebound patient whose chronic illness and/or debilitating condition has taken away their personal mobility .

Practitioner's Printed Name: _____

Practitioner's License Number: _____

Practitioner's Signature: _____

Date of Signature: _____

Patient Signature: _____

Patient Telephone Number: _____

NOTE TO PATIENT:

Once this verification has been completed, please mail a copy to Greenleaf Compassionate Care Center at 1637 West Main Road (PO Box 118), Portsmouth, RI 02871, or fax the document to (401) 293-5968. Greenleaf is required to keep this verification in your patient file. A staff member will contact you to provide the details of the delivery program. If you have any questions, contact Greenleaf at (401) 293-5987 (ext. #9)

NOTE TO PRACTITIONERS:

Change Request 8444 issued by the Centers for Medicare and Medicaid Services (CMS) advises that an individual shall be considered “homebound” if the following two criteria are met:

Criteria One

The patient must either:

- Because of illness or injury, need the aid of supportive devices such as crutches, canes, wheelchairs, and walkers; the use of special transportation; or the assistance of another person to leave their place of residence

OR

- Have a condition such that leaving his or her home is medically contraindicated

Criteria Two

There must exist a normal inability to leave home and leaving home must require a considerable and taxing effort
